RENTAL RETURNS

THE SECURITY AND FLEXIBILITY OF EITHER 5% OR 8% GUARANTEED RENTAL RETURNS

Should you wish to enjoy the security of **guaranteed rental returns**, you may choose between either the higher return of 8% for two years followed by a 50/50 split with the hotel operator thereafter, or alternatively a 5% return PA guaranteed for an incredible ten years. This ten year period will take you securely up to the time when the developer buyback guarantee takes effect.

Taking into account the 50/50 split between property owners and the hotel operator, purchasers who choose this route are predicted to enjoy **very high occupancy rates** of their property, in the region of 85%. Using the modest figure of 60% occupancy, this would provide over a 9% return annually. At 85% occupancy, as is predicted for suites at Château de la Cazine, owners will receive **annual returns of over 13%**.

THE BUYBACK GUARANTEE

WE GUARANTEE TO BUY YOUR PROPERTY BACK AT 150% OF THE PRICE YOU PAID FOR IT

We are so confident that Château de la Cazine will flourish that we are offering to buy your property back from you 10 years post-completion at **150% of the price that you paid for it**, guaranteed. This is a solid guarantee which will be written into your contract.

Once you have experienced the luxury of your property and the high rental returns that it generates, you may prefer to keep your Château Suite for many years to come. You are not obliged to take up the buyback offer, it is simply an option available to you, should you choose to accept it.
